France

December 2022

Dear Friends,

You have faithfully supported us in our service for the Lord, through prayer and through financial gifts, and we sincerely appreciate your generosity. Without the support of assemblies and individual Christians, we would not have been able to serve as missionaries in France for over 42 years. It has been a privilege to be your fellow workers in the glorious task of sharing the good news of God's grace. Occasional visits to report on our service gave us the opportunity to meet many of you personally, and for that too we are grateful.

As from the end of this year, we will be joining the family of retired missionaries. While we will no longer need your financial support, please continue to remember us in your prayers. God willing, we will remain in France and continue to serve as members of our local church in Moulins, as the Lord enables us. Allan also hopes to continue writing for the gospel calendars which he edited for several years. Please pray in particular for Anne, who faces major surgery in January as part of treatment for cancer that was diagnosed earlier this year.

Thank you again for the fellowship which we have enjoyed with you ! We wish you a happy Christmas, and the continuing experience of God's goodness and mercy throughout the coming year.

Yours in the Lord's service,

Allan and Anne Kitt
