

To all at Gospel Hall, Barrhead,

thank you so much for the gifts of ***** for the work of the Lord here in Albania sent through LWT for Sept 2021.

We are doing fine, but all have had a bad sickness bug during the summer and now heavy cold/cough which is taking its time to improve.

Aron and Joel restart university in October and Tomas has just returned to school.

With schools restarting, so have the children's and youth ministries. We are encouraged that we have around 50 children attending the kids ministry, and the youth and students both re-start this weekend.

Last Saturday we had 15 of the mums in a meeting as they stay in the church during the time the kids have their activities. Sometimes the mums just have a coffee together but we also have done a number of conversational evangelism talks with them. Please pray for this outreach and friendships that develop.

We are also coming to the end of a discipleship group with 6 teachers. Some of these teachers attended an evangelical camp in the summer. Again good friendships have been made and a couple of the teachers, Mimoza and Mailinda show real interest. Mimoza was in fact Aron's first teacher, and she has previously attended a number of our worship services and evangelism meetings.

Elida is still busy in the women's ministry and visitation work, and her discipleship class with 8 of the teenage girls continues.

Colin will be teaching through Acts of here Apostles with the teens and a character study on Joseph each Sunday morning.

We are hoping to have at least two baptisms in October. there a number showing interest but so far only two have given their names.

We are also involved in working with the young people recently baptised. We are planning a program to train them and to run a holiday club in the summer for the teens and also a gospel youth camp. This would be bigger than we usually have had. These are things we have not organised on our own before , so we ask for prayer as we work on this project.

thanks for your prayers,

In Him

Colin, Elida and the boys
