

Dear Friends in the Lord,

Greetings once again in the name of our Lord Jesus.

Another session of the present Alpha course being run at the moment will take place tonight, Friday 4th. So far only one person has been coming along but it is worth the effort even for one person.

We are contemplating doing a distribution in the area around the church to publicise it and make it known.

This publicity should also include the literacy classes for Arab women and a tract/invitation has been prepared for this. There is still a steady flow of women who come along on Tuesday and Thursday mornings but numbers have dropped a bit since the pandemic. Over the Christmas period part of the Jesus film was shown to the women and generally speaking this was well accepted and some discussions were held too. It's a long process trying to communicate the Christian message and one has to go very slowly and carefully. Your prayers would be appreciated for this.

Another session of the ladies meeting will take place tomorrow, Saturday 5th. Numbers have been fairly small but sharing and fellowship have been good. Tomorrow the theme will be loneliness. There are quite a few women in the church who suffer from this so we do trust that this theme will be a help and blessing to them.

We do indeed appreciate your continued prayer fellowship with us and we join in thanking you again and in sending our warm greetings in the Lord,

Graham et Alison.
