

## Uganda Report June 2025

This man is called Joseph Wanakha, he is one of the people who received a Bible in Namayingo. Joseph like many Ugandans used to find it hard to get a copy of the bible as they are expensive to buy. The little money he earned would be channeled into getting food on the table for his family.

Joseph praised the Lord when our recent visit to Namayingo inspired him to raise some small amount to get the bible (to which we added the higher amount). He says "I now have the bible in my home. It helps me read every day with my children and wife. I thank God that my family is coming to understand God through His word".

A report from Sanya Charles received towards the end of May 25.

Greetings in the name of Jesus Christ. This is Sanya Charles from Mbale, Uganda. We are well and we hope that you are all good and healthy.

I am pleased to say that God is working here in Musoto assembly and in Uganda at large as we continue to preach, evangelise and teach the truth of the scripture.

On Sunday 18th of May I visited a Moslem home in a village called Sekerere. I was led by one of the brothers from Musoto assembly as this happens to be home of the grandparents of brother Defasi who has just recently become a believer in Musoto after witnessing the goodness of the Lord and how God is working in his life. He requested me to visit his grandparents and after reaching there I shared the love of God to mankind and how He gave His only son Jesus Christ to die for our sins on the cross. I also told them about Jesus being the only way to the Father and that there is no any other way.

I praise the Lord this family repented and accepted Jesus Christ as their personal saviour by faith. Please continue commending them to the Lord that their faith may grow. Their names are:

- (1) Wangbe Abudala
- (2) Nabuloli Sofina
- (3) Nekesa Zaituna

Interestingly Abudala told me he always listen to us preaching on the radio. He was happy to see me and asked me to get them the bible and if possible some transport to bring them to the church Hall for the gatherings every Sunday. Please pray for me and Johnson as we have agreed to visit them again soon.

In Namayingo, where there are over sixty believers, the Lord is working. Brother Nyongesa and Brother Mungala serve as elders. They received the gift of the word of God (bibles) with the help of believers in the UK and they say thank you. The same is true in Musoto assembly where I, Alozious and Johnson serve. They also received the gift of the bible and they say thank you.

We also have 20 believers in Budaka where I travel to help and teach the bible. In the month of June, God willing, I will be traveling to western Kenya to visit brother Alex Mukosa. He follows the radio preaching and Northern Uganda (Kaberamaido) we have some brothers who attended the bible teaching conference at Butebo during the time when brother Stephen visited us recently. They are eager to follow the truth of the New Testament church gatherings.

Please put me in your prayers for God's guidance and protection and above all that I would be given divine wisdom. Despite many challenges and hardships the gospel continues to be preached.

We appreciate so much your prayers and the financial support you render to us.

There are many areas where we need to preach the gospel of truth. As many of you know the gospel in Uganda has been damaged by the prosperity gospel so, we have a lot to do but we thank God for what He is doing.

We have a total of 7 assemblies where we are traveling, helping, teaching the truth and now we have one from western Kenya which is showing an interest in knowing the truth. All this comes due to the bible teachings we have on one of the christian radio stations, 90.5 Faith FM which I run with brother Stephen Baker every Wednesday. This has opened doors in different places and we are excited to say that God is changing many lives. We are training young men so that they may go and preach in different areas. We are thankful to all of you because we could not handle this missionary work without your love and support. Thank you so much for your support. We love all of you. I and my wife Justin, and all the Elders here send our Christian greetings to you all.

Romans 10:15 - 'And how can they preach unless they are sent? As it is written: How beautiful are the

feet of those who bring good news’.
